# ERASMUS+

- **Erasmus:** Dutch humanist and theologian (Rotterdam, XV century)
- Acronym for **EuRopean Community Action Scheme for the Mobility of University Students**
- EU Programme (2021-2027) to support education, training, youth and sport
- Erasmus+ offers higher education students opportunities to study in Europe as part of their degree

## Two mobility opportunities for students in Europe

### International Credit Mobility (ICM)

### Erasmus Mundus Joint Masters (EMJM)

for Bachelor, Master and Doctoral student  
study periods of 3 – 12 months, traineeships of 2 – 12 months  
application via your own university's international relations office

Integrated international Master programmes  
you can study at 2+ universities simultaneously  
duration 12 – 24 months (60, 90 or 120 ECTS)

**Scholarships are available for both ICM and EMJM programmes**

# ERASMUS+

## Why?

- 1 Different cultures and learning methods
- 2 Language improvement
- 3 More active participation in society
- 4 Enhanced career prospects
- 5 Alumni Network

## How?

### International Credit Mobility (ICM)

- 1 Contact International relations office at your university
- 2 Choose universities to which you would like to apply
- 3 Find study programmes that correspond with your home university's curriculum

### Erasmus Mundus Joint Masters (EMJM)

- 1 Visit EMJM Catalogue ([https://www.eacea.ec.europa.eu/scholarships/erasmus-mundus-catalogue\\_en](https://www.eacea.ec.europa.eu/scholarships/erasmus-mundus-catalogue_en))
- 2 Choose your field of study, then countries and universities where you would like to study
- 3 Visit programmes' websites to verify the application info and deadlines

- 4 Gather the documents (CV, Motivation letter, Recommendation Letter, etc.)

- 5 **Go for it!**

# Marie Skłodowska-Curie Actions (MSCA)

**MSCA** is a program available for all stages of a researcher's career. Fellows include PhD candidates and those carrying out more advanced research in any field of studies.

→ **MSCA Doctoral Networks** help groups of researchers gain experience of different working environments while developing transferable skills.

→ **MSCA European Postdoctoral Fellowships** is for researchers from across the world. It is a great option if you are completing your PhD or you are already an experienced researcher.

## Examples

### 12 Fellowships in MSCA EuPRAXIA Doctoral Network.

**Host:** Laboratori Nazionali di Frascati and others, Italy.

**Research field:** Multiple Research Fields.

**Application Deadline:** 31/01/2023.

<https://euraxess.ec.europa.eu/jobs/853126>

### 13 Funded PhD Positions (Late Medieval/Early Modern Book Studies) in the MSCA Doctoral Network.

**Host:** University of Galway, Ireland.

**Research field:** Literature; Arts; History; Information science; Language.

**Application Deadline:** 10/01/2023.

<https://euraxess.ec.europa.eu/jobs/851631>

### PhD/Doctoral Student and Research Associate position on Multiphysics Design of a High-Power-Density and High-Efficiency Propulsion Drive.

**Host:** University of Pisa, Italy.

**Research field:** Electrical engineering.

**Application Deadline:** 05/12/2022

<https://euraxess.ec.europa.eu/jobs/849217>

# Study in Europe

Study.eu is a platform where you can search study programs in European universities by subject, country or certain university you're interested in.

## Ireland

All programmes in Ireland

Ireland is one of the most popular study abroad destinations in Europe. Its universities offer first-rate education in a traditional, yet modern setting. Thousands of study programmes at over two dozen schools attract international students from around the world.

### Quick facts about the history of Ireland

Located in the north-western fringes of Europe, Ireland's history is long and complicated. The first great tribes to establish themselves on this island were known as the Celts. The customs, myths, and languages of these peoples are still very important to modern day Irish citizens. While Irish Gaelic is still an official language and adorns, with English, every street and other official sign in public, it is spoken only by a minority, as everyone in Ireland today communicates in English.

During the Middle Ages, Ireland was a haven for Christian monks and scholars. St. Patrick, originally brought to Ireland as a young slave, famously converted the "Emerald Isle" to Christianity in the fifth century, and well over 70% of all Irish people identify as Roman Catholics today. On the supposed date of his death, the Irish celebrate their national holiday, St. Patrick's Day, in Ireland and around the world.
